

[MalovMeta.Art](https://MalovMeta.Art)

unique features

- Display your collection to a global audience.
- Showcase works, which nobody has ever seen before.
- Conduct online excursions and events.
- Sell NFTs of the items in your collection.
- Give people with disability an access to your masterpieces.

**Join MalovMeta.Art and get and get your own digital space**

- Authentic digital 3D copies of any items: sculptures, paintings, art objects, installations.
- Perfect visualization of the smallest details.
- Instant loading.
- Any standard browser. No download needed.

**Virtual reality**

The best way to immerse yourself in the metaverse of art is wearing a VR set. In the virtual space, users can hold items or get close to unique paintings, so they can see the texture of each touch of the genius's brush.

**Discover metaverse of world art**
